

# 2nd stage regulators

## COMMAND AIR - 2ND STAGE ONLY

See details: Command Air Regulators

Description	Part No.
Command Air - 26" (350mm) Hose	350101
Command Air - 36" (1050mm) Hose	350102
Left Hand - 26" (350mm) Hose	350110
Command Air - No Hose	350103

## COMMAND AIR TURBO - 2ND STAGE ONLY

See details: Command Air Turbo Regulator

Description	Part No.
Com Air Turbo - 26" (350mm) Hose	35010626
Com Air Turbo - 36" (1050mm) Hose	350106
Com Air Turbo - No Hose	350108

## EXPLORER II & OCTOPUS - 2ND STAGE ONLY

See details: Explorer II Regulator

Description	Part No.
Explorer II - 26" Hose - Black	32405
Explorer II - 36" Hose - F/O	32405FO
Explorer II - 36" Hose - F/Y	32405FY
Slimline Octopus - Yellow	32403Y
Octopus - Exp II - 36" Hose - F/O	32404FO
Octopus - Exp II - 36" Hose - F/Y	32404FY
Octopus, Compact - F/O	32401FO
Octopus, Compact - F/Y	32401FY
Left Hand Octopus W/BC Connect	324031

## HOKKAH - 2ND STAGE ONLY

Implements the classical down stream demand valve design but has a simple and unique non - return valve incorporated directly into the L.P. valve. The regulator is designed for the surface supply of air, which has substantially lower pressure than standard second stage Regs. To maintain smooth and adequate performance a special high flow orifice is used.

Description	Part No.
Hookah - 100PSI Exp II + Hose - Blue	324501
Hookah - 100PSI Exp II - No Hose	324511

## SERVICE KITS - 2ND STAGE REGULATORS

Description	Part No.
Kit Reolacement - Explorer	33030K

### SILICONE MOUTHPIECE

Comfortable, pliable & taste free  
Colours: Black, Blue, Orange & Clear

## PARTS & ACCESORIES - 2ND STAGE REGS

Description	Part No.
Mouthpiece - Silicone	340006
Octopus Retainer Mthpce Type	34606ACC
Holder - Octopus - Yellow	3240315
Exhaust Valve - Silicone	340026A
Octopus Holder PVC With Cord	324502
