SMART STEEL SCUBA CYLINDER

Manufactured in Germany using the latest extruded seamless tube technology to produce a cylinder of unrivalled strength and durability. Scuba specific design and construction techniques ensure, not only, advanced corrosion resistance but also superior "diver friendly" buoyancy characteristics. Colours: White, Blue & Yellow

Approval Specifications: RL 97-23-EG. (CE)

Manufacturing Process: Extruded Seamless Tube

Material: Chrome Molybdenum Alloy Steel

Primer: Hot zink sprayed to 60 micron. **Finish:** 2 part polyurethane

Internal Finish: Chemically treated with Ferrous Phosphate.

Capacity: 232BAR

Description	Part No.
65 C/F - DIN Valve	213065D
65 C/F - DIN/K Hybrid Valve	213065DK
65 C/F - K-Valve	213065K
65 C/F - Cylinder Only	213065
85 C/F - DIN Valve	213085D
85 C/F - DIN/K Hybrid Valve	213085DK
85 C/F - K-Valve	213085K
100 C/F - DIN Valve	213100D
100 C/F - DIN/K Hybrid Valve	213100DK
100 C/F - K-Valve	213100K
125 C/F - DIN Valve	213125D
125 C/F - DIN/K Hybrid Valve	213125DK
125 C/F - K-Valve	213125K

* COLOURS: Blue (B), White (W), Yellow (Y)

CYLINDER BOOTS & MESH

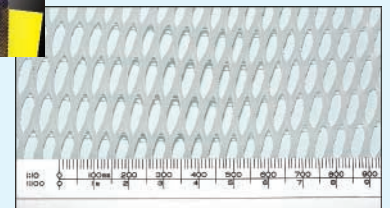

Description	Part No.
Smart Steel - Black (171mm) dia	240109
Smart Steel - Black (204mm) dia	240110
Super Steel - Black (188mm) dia	240107
Alum Cylinder Boot - Black (175mm) Also available in Red, Pink and White	240106
Alum Cylinder Boot - Black (185mm)* To Suit Superalloy, Luxfer and Catalina	240105
*Also: Blue (B), Red (R), White (W), Yellow (Y). Pink (P)	
MESH -Tank Protector 500mm Black**	2421
**Suit 185mm dia cylinder. Also: Green, Red, White, Yellow	

CYLINDER HANDLE & BANDS

Description	Part No.
Handle - Cylinder Black Steel	21HANDLE
Tank Band - Stainless S. Set of 2	4151220N
Twin Tank Band (1 Pce)	4151220
Band Webbing for Single Tank	4151200
Band Webbing Twin Tank 1320mm	4151200L
Buckle Cam for Webbing Band BCD	4151201

Large Holed Mesh

Cylinder Mesh to suit all Cylinders
